TO WHOM SO EVER IT MAY CONCERN

This is to certify that a drinking water plant of 15000 litres capacity per day has been successfully installed at santhavellore village District of Kanchipuram, Tamilnadu. The plant was commissioned on **26th March, 2023**

Funding : M/S Hapag Llyad

Implementation Partner : M/S. International Academy of Environmental Sanitation and Public Health (IAESPH), New Delhi.

This is to certify that IAESPH has installed the drinking water plant successfully, which is now serving the population of the village.

Awareness generation activities were carried out by IAESPH in Association with the panchayat. Training for operation of the plant has been provided.

The Santhavellore village panchayat is very Happy with this Outcome.
